**Thought for the Week:**

Our task must be to free ourselves...by widening our circles of compassion to embrace all living creatures and the whole of nature in its beauty.

*--Albert Einstein*

**These hills where the hawk flies lonely,**

beaches where the long surf rolls,  
mountains where the snows meet heaven, *these are our care.*

Pastures where the sheep graze calmly,  
orchards where the apples grow,  
gardens where the roses cluster, *these are our prayer.*

Forests where the tree ferns tower,  
rivers running strong and clear,  
oceans where the great whales wander, *these are our care.*

Race meeting race as equals,  
justice for age-old wrong,  
worth for every man and woman, *these are our prayer.*

Cities where the young roam restless,  
lives brought to deep despair,  
homeless and powerless people, *these are our care.*

Places where the Word is spoken,  
hands held in serving love,  
faiths of our many cultures, *these are our prayer.*

All that the old world gave us,  
all that the new world brings,  
language, ideas and customs, *these are our care.*

Life finding joy and value,  
faith seeking truth and light,  
God heard and seen in all things, *this be our prayer.*

*Colin Gibson*
