When I needed a neighbour,

were you there, were you there?

When I needed a neighbour, were you there?

*And the creed and the colour
and the name won't matter,
were you there?*

I was hungry and thirsty,
were you there, were you there?

I was hungry and thirsty, were you there?

And the creed...

I was cold, I was naked,
were you there, were you there?

I was cold, I was naked, were you there?

And the creed...

When I needed a shelter,
were you there, were you there?

When I needed a shelter, were you there?

And the creed...

When I needed a healer,
were you there, were you there?

When I needed a healer, were you there?

And the creed...

Wherever you travel,
I'll be there, I'll be there,
Wherever you travel, I'll be there,

And the creed...

The fishermen know that the sea is dangerous and the storm terrible,
but they have never found these dangers sufficient reason
for remaining ashore.
